

Leaded Stained Glass Class Supply List

Glass cutter	Breaking or Grozer pliers
Running pliers	Lead nippers or dykes
Soldering iron	Solder iron stand
Cellulose sponge - small	Glazing hammer
1 bag of horseshoe nails	Small tub of Flux
Roll of 60/40 Solder	Small wire brush
Sharpie marker	tool box, basket, tub

Plywood - approx 16" X 24" X $\frac{1}{2}$ " thick (5/8 or $\frac{3}{4}$ " works as well) This will be used to build your projects on.

LEAD Came

2 pieces $\frac{1}{4}$ " U round	6-8 pieces $\frac{1}{4}$ " H round
----------------------------------	------------------------------------

(keep lead as straight as possible)

GLASS

1st panel project will be a geometric with 2-3 colors. I suggest 1 of your choices of glass be a clear or clear textured.

2 colors at 8" X 10" each

1 color (clear ?) 10" X 16"

2nd panel project will be your choice. Will have patterns available to choose from or bring in your own - no larger than 16X 16 (keep pieces less than 50 in pattern.)

We will have glass packages available for purchase for 1st panel project at \$20 each

2nd panel project glass will be your responsibility - however additional glass will be available for purchase.

Most supplies are available at Jennifer's Glass
